

Why Should I get ResQMe?

- According to the US Bureau of Transportation Statistics last publication, there are over 42,000 crash fatalities each year. That is almost 1 death every 12 minutes.
- Of these, an estimated 500 people died while helplessly trapped inside their vehicles.
- You can never be too prepared for the unexpected!
- Protect yourself and your loved ones with ResQMe™, the original “Gift For Life”.

Perfect for:
Daily commute
Travel
Road trips
RVs
Rental cars

When innovation
brings you **solutions**

When innovation..... brings you solutions

What is ResQMe?

ResQMe™ is a unique portable safety device that goes on your key chain. This innovative tool allows people to escape from being trapped in vehicles.

Is it reusable?

Yes! The **ResQMe™** spike resets automatically and can be used multiple times. The blade is extremely durable and can easily perform multiple seat belts cuts. All is to ensure maximum performance!

Where is it made?

ResQMe™ is Made in the USA and crafted with the highest quality materials used by safety professionals.

How does it work ?

ResQMe™ attaches to your keychain with a detachable clip. Pull the clip away from the product to reveal the cutter (blade). Hook over seatbelt and pull. To activate the window breaker, simply push the black head against a side window until the concealed spring-loaded spike releases and shatters window.

Where can I “try” it ?

One of the best ways to try **ResQMe™** is on a thick padded object, like a magazine or notepad.

Is ResQMe tested ?

ResQMe™ is tested and approved worldwide by many public safety organizations such as police departments, fire fighters and paramedics. **ResQMe™** is also awarded for its uniqueness!

Why ResQMe ?

Inspired by the LifeHammer®, **ResQMe™** is a revolutionary hand-held rescue tool that is amazingly powerful despite its tiny size. Because it goes on your keys, no installation is required and it's always available at your fingertips!

ResQMe goes where you go and provides real peace of mind to every motorist.
